

Figure 1A

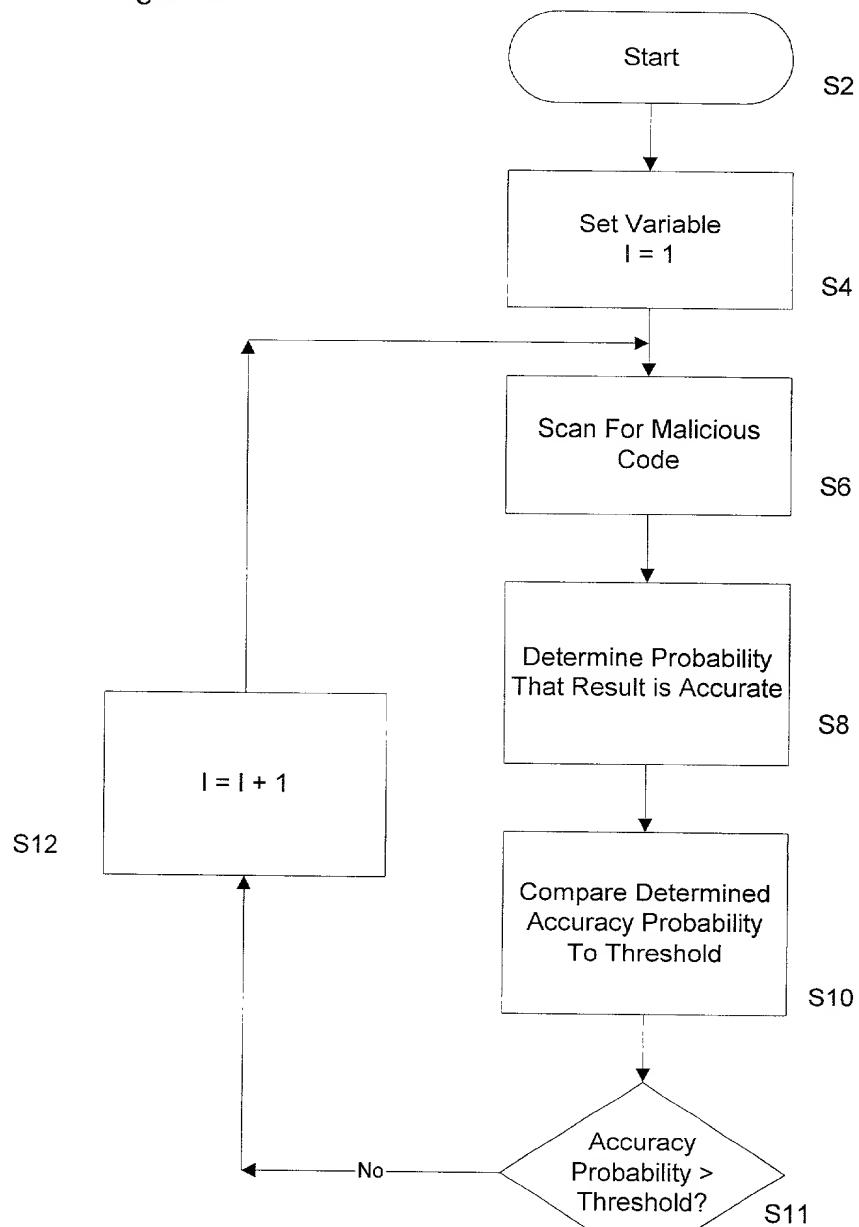

Figure 1B

| Variable I | Detection Method | Speed   |
|------------|------------------|---------|
| 1          | A                | Fastest |
| 2          | B                |         |
| 3          | C                |         |
| 4          | D                |         |
| 5          | E                |         |
| 6          | F                | Slowest |

FIGURE 2

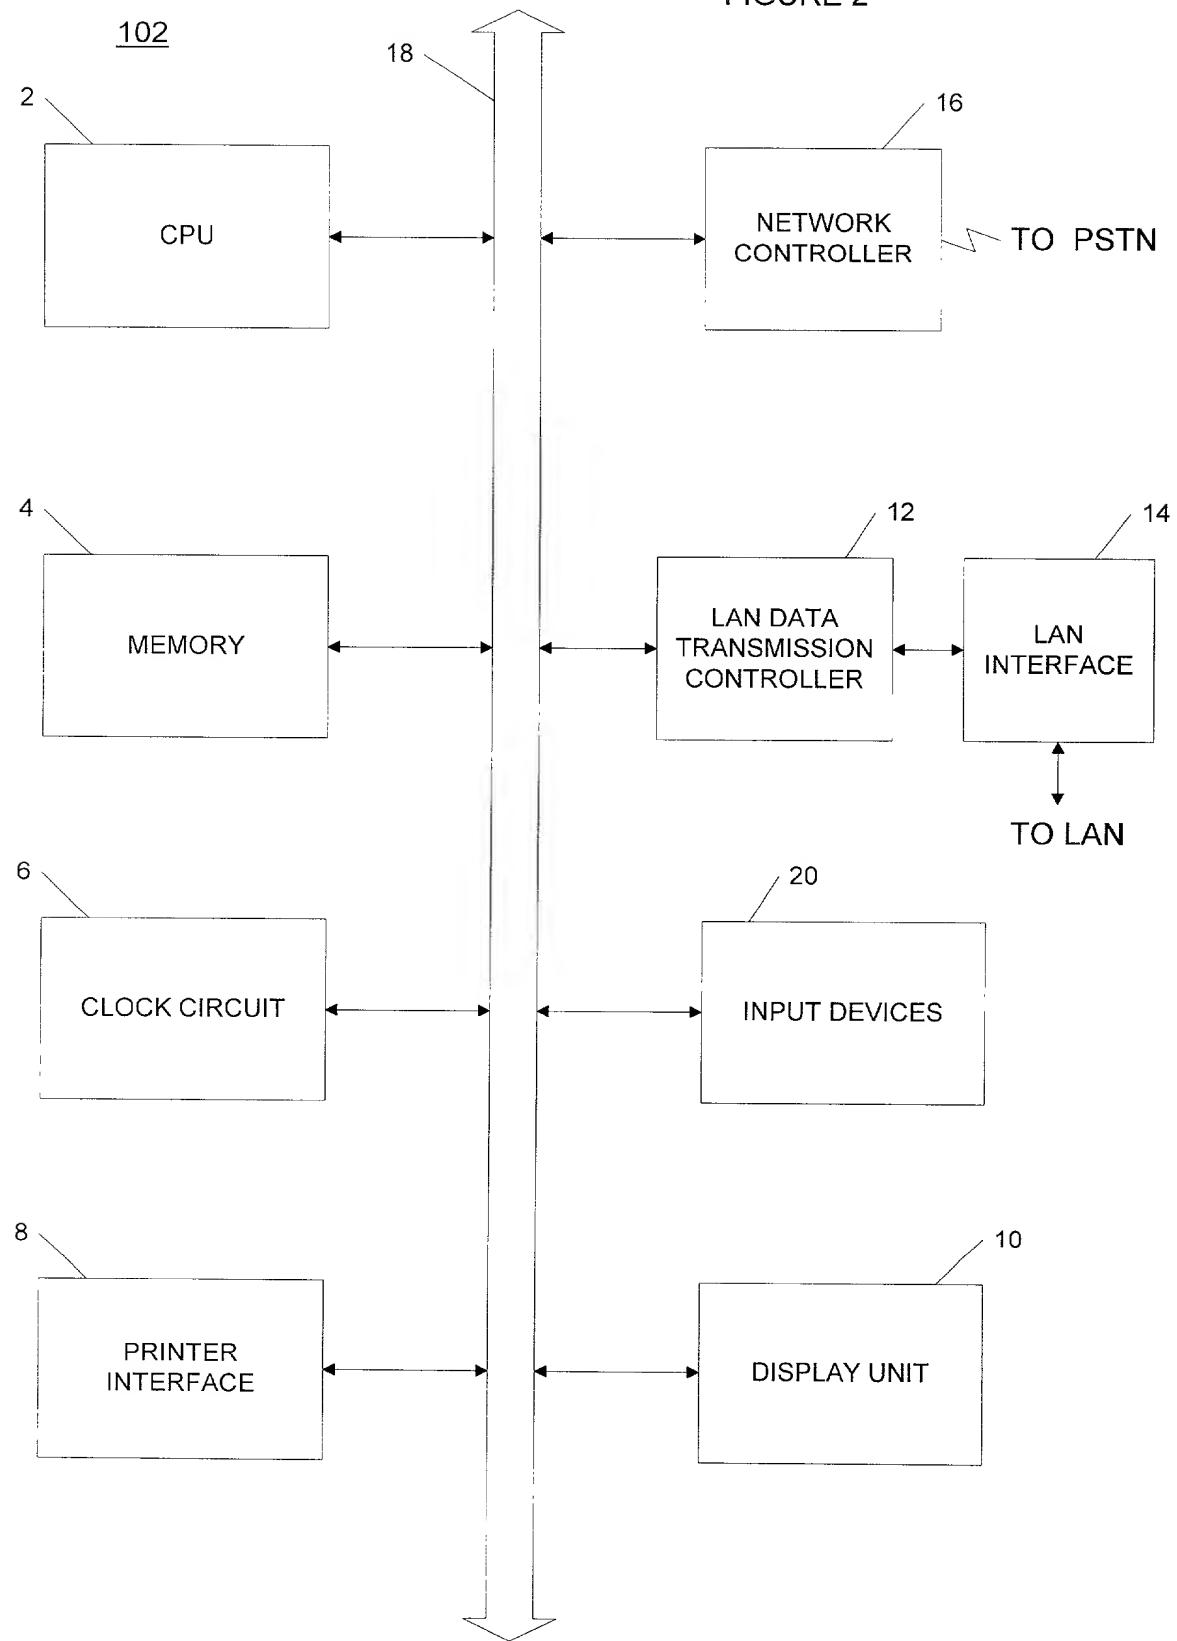

Figure 3A

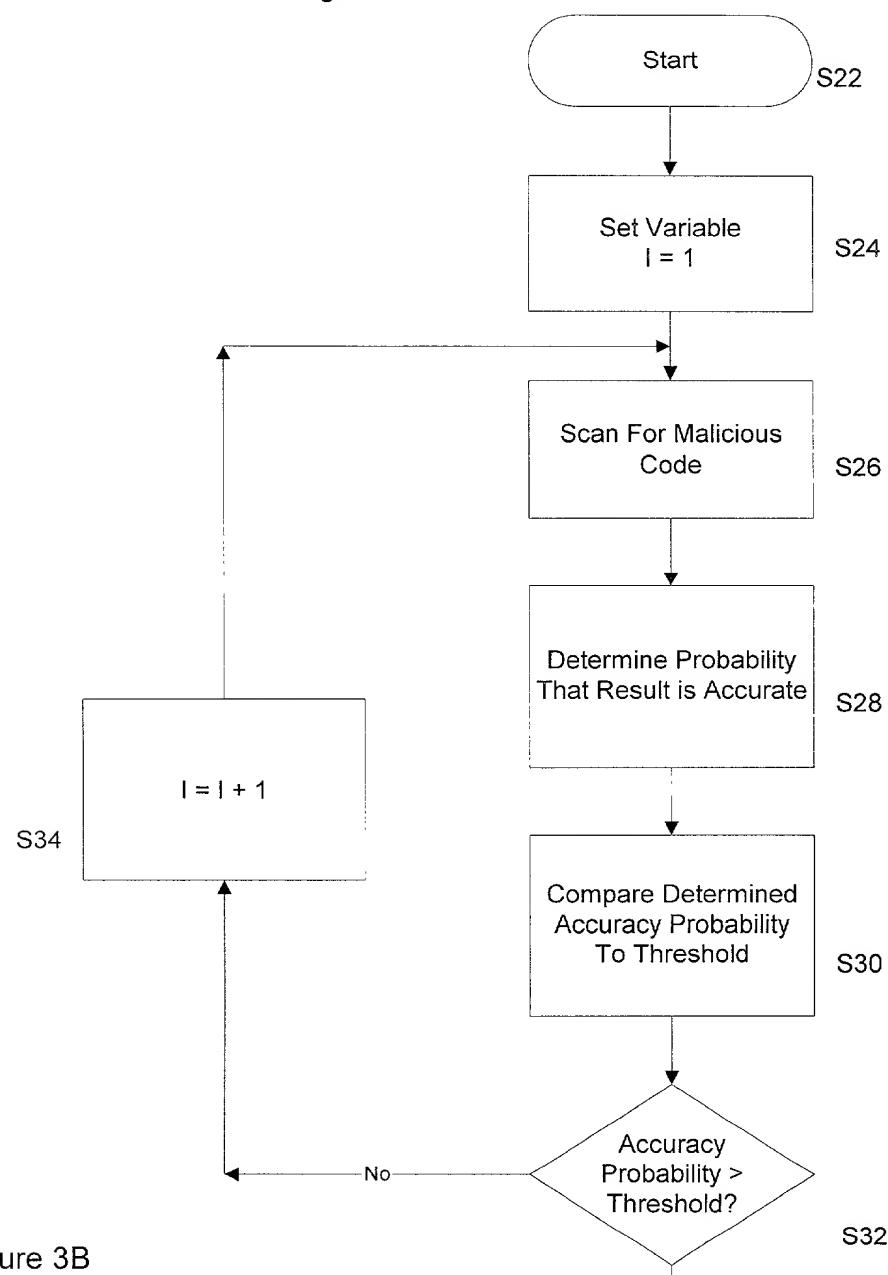

Figure 3B

| Variable I | Detection Method | Accuracy |
|------------|------------------|----------|
| 1          | A                | Least    |
| 2          | B                |          |
| 3          | C                |          |
| 4          | D                |          |
| 5          | E                |          |
| 6          | F                | Most     |

Figure 4A

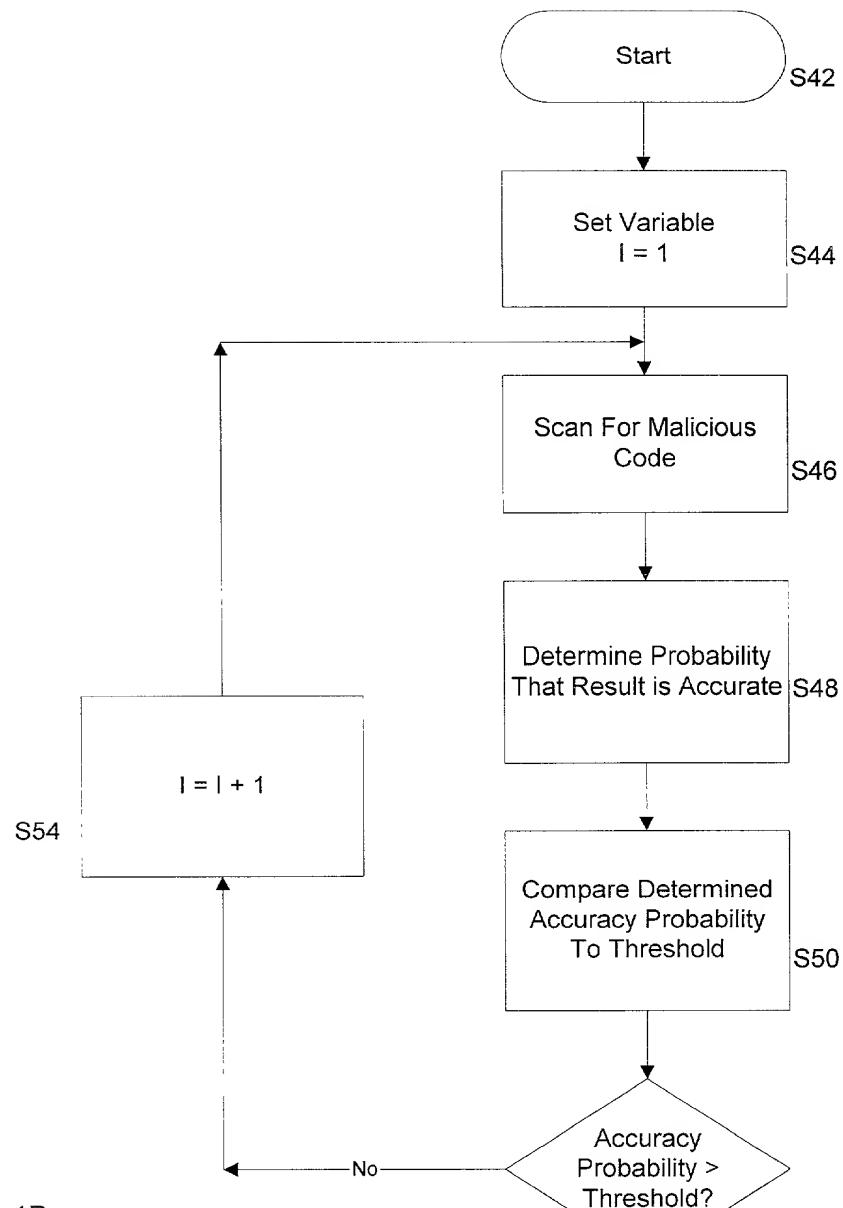

Figure 4B

| Variable I | Detection Method | Resources Used |
|------------|------------------|----------------|
| 1          | A                | Least          |
| 2          | B                |                |
| 3          | C                |                |
| 4          | D                |                |
| 5          | E                |                |
| 6          | F                | Most           |
